To All Apple Festival Vendors

Dear Potential 2023 Vendors,

If you were with us in 2022, we would like to take this opportunity to thank you for participating in the Bloomfield Apple Festival. If you are new to our festival, we want to welcome you.

Enclosed you will find a copy of the 2023 Bloomfield Apple Festival Vendor Contract.

There are a few items that you should be aware of for the 2023 festival:

- All vendors must have a working fire extinguisher inside their booth or trailer.
- This is a demand of the Indiana State Fire Marshal's Office, and we must comply.
- No pets will be allowed in the park except for the Pet Parade and the petting zoo.
- Vehicles in the park: There will be absolutely no private or commercial vehicles allowed in the park at any time. The Apple Festival will provide some assistance with loading and unloading, and will have dollies available for your use during these times.
- Vendors must stay within their vendor sites except for space for their customers to eat.
- Vendors needing electricity should use a minimum of a 12- gauge extension cord.
- **Vendors will have the option of also being open from 11AM until 4PM on Sunday.**
- Vendor sites may be changed to keep Sunday vendors in the same general area.

Please take a few minutes to review the contract. To ensure your space at the 2023 Bloomfield Apple Festival, you must return the completed and signed contract, and send it, along with the appropriate fees to the address above.

If you have any questions, please call the numbers above.

We hope to see you at the Bloomfield Town Park the first full weekend in October!

Sincerely,

Bloomfield Apple Festival Board Members:

Eliza Seymour, Brent Seymour, Judy Branstetter,

Darla Chesnut, Ashley Rudisill

David Dean, Matt Miller, Kris Jarman

Bryan Myers, Brock Miller
